Next week is homecoming week! Make sure your club, team, or organization doesn't miss out on participating in the parade on Monday. All teachers have received an email with sign-up information, or you can email Mrs. Curran in the library for all the details. There's more information to come about the rest of homecoming week, but we will have our first-ever Purple Palooza after the game on Friday! You won't want to miss you!

You're in luck! Star BOOKS Café is now open on Fridays in the library with hot cocoa, coffee, cappuccino, and iced coffee with flavored creamers, and cappuccino. It's reasonably priced at \$1 per drink, and it's delicious.

Any boy interested in playing soccer next year needs to stop by Coach Luttrulls room in 1618 by October 20th to pick up paperwork. There will be a meeting in his room on October 21 at 7:30 for any boy interested in playing soccer this year.

We are continuing with our Hispanic Heritage Month celebration! Isaiah Nguyen won the last Trivia, but you have another chance to participate! QR code to a TRIVIA FORM will be up outside Mrs. Torres's room - Room 1203 and in the library! A SWEET basket of goodies is up for grabs to the person who gets all of the questions on this form correctly!!
