

Port Neches Groves Independent School District

COVID Guidance for the 2021-2022 School Year

Masks

- The use of masks is optional for all students, staff members, and campus visitors.

Positive Cases on Campus

- All positive cases on campus will be reported to the Port Arthur Health Department and the Texas Education Agency.
- Campus letters regarding a positive case on campus will not be sent home this year. Personal phone calls will be made to any student, family, staff member, or visitor regarding their exposure to a positive case by the campus nurse/principal as needed.

Cleaning Procedures

- All cleaning/sanitizing procedures that were in place for the 20-21 school year will remain in place for the 21-22 school year.

Contact Tracing/Quarantine

- Any contact tracing/quarantine will be handled on an individual case basis through the campus nurse and principal.

Visitors

- Visitors will be allowed on campus. Visitors should consult with each campus regarding their procedures.

Questions

- Any specific questions should be directed to the campus nurse and/or principal.
