

## Lunch Rules 2020-2021

- Students who are transitioning within the same hall after lunch (ex. 6th grade science to 6th grade math) will be asked to place their belongings in front of their next class before going to lunch. Only students moving halls (ex. from the 8th grade hallway to the fine arts/ shop/ gym hallway) will be allowed to take their bags to lunch and should drop off all belongings by the cubbies in the cafeteria.
- All students must wear their masks before entering the cafeteria.
- Students will sit 6 to a table only in the places marked with the purple warrior logo.
- Students will be released by table to enter the lunch line.
- Once in the lunch line students must remain 6 ft apart as noted by the purple warrior logo.
- Students must apply hand sanitizer while in line to be allowed to receive their food. Hand sanitizer stations will be positioned at the beginning of each lunch line.
- Students who bring a lunch from home will apply hand sanitizer at one of the two posts at the entrance to the cafeteria before sitting down.
- Once a student has applied hand sanitizer, received their food, and sat at their table, they may then take their mask off.
- Masks must be put back on when leaving the table to throw away trash or leaving the cafeteria. Once a student has finished their meal, their mask must remain on until they exit the building.
- Students will not be able to share food at any time.
- Students may leave their table to exit the building whenever they are done with their meal and their trash has been thrown away. Students who leave the cafeteria will not be allowed reentry until the lunch period is over.
- On good weather days, students may sit outside at the picnic tables, but those choosing to sit outside will be released to the lunch line last.
- It is the responsibility of the students sitting outside to throw away their trash.
- Students will be sent back to class staggered by the subject they are going to.
