

Groves Middle School
Note from the Nurse

Dear Parents/Guardian,

As we enter our last few weeks of this school year there are a few items in the nurse's office that need to be addressed.

1. If you have left any over-the-counter medication or prescription medication for your student in the clinic this year please be sure and stop by the nurse's office to pick these up during the last week of school. PNGISD medication policy states that students WILL NOT be allowed to pick up medication from the nurse's office and bring it home. All medication is to be picked up by parents/guardian.
2. All remaining medication for all 8th grade students will be discarded at the end of the school day on May 31st if not picked up by student's parent or guardian. All other medications left in the nurse's office will be kept for the following year. I must obtain a signed consent in order for your student to receive the medication for the following 2018-2019 school year.

Have a Wonderful Summer,

Miranda Guidry R.N., B.S.N.
School Nurse
