A Note from the Principal

It's hard to believe that August has already come and gone. School spirit is high and there is a love for learning in the air.

I'm certain that by now you've heard about our Tribe System. Our Tribes have formed communities within our school. The purpose of the Tribe System is to encourage positive behavior and expectations, to promote teamwork and cooperation, to promote healthy competition, to grow self esteem, and to encourage positive attitude toward school and others. Tribes earn points each day for showing exceptional character and for working hard academically. At the end of each 6 weeks we will all celebrate the winning Tribe in a Pep Rally.

**WE ARE SO EXCITED TO CELEBRATE THE STUDENTS
THAT MAKE GOOD CHOICES!**

Unfortunately, students that make poor choices in their Tribe will find themselves on the sidelines during our Tribe celebrations.

No Exceptions!

Let's encourage our kiddos to make good choices so that everyone can participate in the fun. A big thank you to Christus Southeast Texas Health System for sponsoring our Tribe T-shirts. Tribe T-shirts should be worn on Tribal Thursdays. T-shirts will be delivered soon.

In Partnership,

Kimberly Carter, Principal

BIG KAHUNA FUNDRAISER KICK-OFF is SEPT 11th

remind

PNE Principal Remind is no longer active. All Reminds from Principal will be delivered through your child's homeroom teacher. We apologize for the inconvenience.

Friendly Traffic Reminders to Help Keep our Kids Safe

Do not make "U-turns", back up or make 3-point turns in a school zone. This includes driving into residential or other driveways and then backing out, to change direction. It is difficult for drivers making a "U-turn" or backing up to see small children crossing the street. "U-turns" can be confusing for children as they may not be able to anticipate such irregular vehicle movements.
