Agenda

Mrs. Gauthier called the meeting to order 3:02

1. 2020-2021 Calendar

Mrs. Gauthier opened with discussing 4 options of the new calendar. She read over the feedback she received from different campuses. Mr. Deckert expressed how it works better for students to complete their semester before Christmas break due to scholarships and eligibility. Mrs. Miller from Van Buren also stated that they would prefer to not start so early. After this discussion we narrowed it down to 2 calendar choices calendar 1 and 4. Calendar 1 had a teacher start date that the committee felt was too early and calendar 4 had too many uneven semesters. It was decided to go with calendar 4 with these changes the teachers would start on August 10th and students would start on August 20th. We also removed Oct. 13th from being a teacher work day. Mrs. Gauthier is going to take the suggestions and work the new calendar to make sure enough time is put into the calendar. She will then send it out for a final review before bringing it to the board in February.
