Ridgewood

Designated parent walk up area

Area where students sit with their class to be picked up

Circle Drive

Parent/Student Walk Up Lane

Parent/Student Walk Up Lane

Parking Lot

Student Arrival and Dismissal

1. When dropping off or picking up your child through the circle drive, please remain in your car. If your child needs assistance to fasten their seat belt, etc. we ask that you park in the parking lot and walk up to receive your child.
2. If you choose to walk up to drop off or pick up your child, please walk in the designated crossing areas only (painted areas), do not try to walk through the cars.
3. For afternoon pick up, do not walk in front of where the students are seated. We ask that you wait on the designated painted area behind where the students are seated.
4. Do not drop your child in the parking lot and allow them to walk up on their own.
5. Safety is our primary concern during pick up and drop off times, please remember this is not a time to ask your child's teacher about their day.
