

MRS. BOUDOIN'S CLASSROOM RULES

- 1. Be on time.** You are tardy if you are not in your assigned seat when the tardy bell rings. On the **third** tardy and **each successive** tardy, you will be assigned detention. On the **fourth** tardy you will **no longer** be able to **exempt**. Tardies are cumulative for each semester.
- 2. Bring all supplies to class each day.** You must bring your notebook, paper and pencils to class each and every day unless otherwise instructed by **ME**.
- 3. Be ready to begin class when the bell rings.** Restroom breaks need to have already been taken care of, pencils sharpened, and homework turned into the basket before the bell rings.
- 4. No food or drinks (except water) in class.**
- 5.** If a restroom break becomes an emergency, you will have to use a tardy and **lose a bonus point**. This **also applies** to having to lose class time to get an **admit slip!**
- 6. Keep litter in its place, the trash can.**
- 7. Be respectful of others.** Do not belittle or degrade any person. We are all here to get an education.
- 8. Attendance is essential.** You need to be here every time our class meets. If you are absent, it is your responsibility to come in before or after school to get your missed assignments. Get the notes and warm ups for the day from me or from a fellow classmate and copy them into your notebook. Any makeup test will be done before or after school (unless specified by teacher).
- 9. Tutorial help can be received any morning from 7:15 to 7:35 EXCEPT FRIDAY.**
- 10. MATH IS NOT A SPECTATOR SPORT!!!** Be ready to learn. Participate by taking good notes, paying attention in class, and completing all homework assignments thoroughly and on time.
